We are a global leader in arts education and creative practice, and a beacon of innovation in conservatoire training in the UK, Europe and beyond.

Our profile among conservatoires is distinctive and progressive. We offer our students and staff unique opportunities for cross artform collaboration at the highest level, and are committed to experimentation, imbuing our community with a pioneering spirit. We defy genre, we dare to take risks, and we break expectation.

We have an unrivalled provision for and interest in public engagement, with courses and classes for all ages, and a specialist strand of work focused on creative health. This work enables us to make our artforms accessible to all.

GENERAL INFORMATION

Registration

Please arrive at the Laban Building at 10.00am on Monday for registration.

At registration we will give you a security card to access the building. A tour will also be organised in the morning to orient you to our building, studios and changing facilities. Please return your visitor badge on the last day of the course.

Changing rooms and showers

Please bring your dance clothes with you. Changing rooms and shower facilities are available for all participants to use. If you wish to shower you should bring a towel with you. In each studio there are storage areas for you to keep your belongings with you throughout the day.

What to wear

Participants are advised to wear what they normally wear and feel comfortable in during a dance class; a collection of tight-fitting clothing and loose/comfortable clothes for extra layers and warmth. Participants should expect to do classes in bare feet.

Health and Well Being

Where possible please let us know in advance if you have any medical conditions or other access requirements that we need to be aware of.

Please let your teacher know if you have an illness or any injuries which they should be aware of during your participation in classes. If you sustain an injury or feel unwell at any point during the course, please let a member of the How Movement Works team know. There is always a trained First Aider on site.

What if I experience symptoms of Covid-19?

If you begin to experience Covid-19 symptoms, please follow the [UK Government's guidance](#) and do not attend activities at Trinity Laban. We will monitor and assess COVID-19 guidance and measures that would be relevant to the Summer School in the lead up to and during the course.

Ventilation

The air in the Laban Building is supplied via air handling units which draw air in from outside, filter it and heats/cool it accordingly. It is then removed via a separate extract system. This system provides complete air changes to each area of the building including the studios, every 15 minutes. We do not recirculate any air within the building. For optimal studio ventilation at the Laban Building, it is best to ensure doors remain closed.

Internet Access

There is visitor Wi-Fi access during your time in the Laban Building. You are also welcome to use the computers in the Laban Building Library.

Laban Building Café

The Café at the Laban Building sells a range of food including hot lunches, salads, sandwiches and snacks. You are welcome to bring your own food to eat in the café too. The café is usually open 9.00-15.00 daily over the summer.

For further information, see <https://www.trinitylaban.ac.uk/student-life/libraries/>

What do I need to get started?

You can use the [Laban library catalogue](#) to find books, videos, DVDs, CDs, journals, theses, etc., or the **archive catalogue** to search for archival primary material. Once in the Library, you can search **Quick Search** for access to electronic journals as well.

How do I find things on the catalogue?

1. Enter the author or choreographer (surname, then forename) or the title of the book, video, journal you want to find.
2. Click on the Title drop-down arrow to change where you look to Author to look for a book by an author or dance piece by a choreographer or to Subject to look for items about someone or something.
E.g. Forsythe, William as an author will retrieve items by him as a choreographer. As a subject, it will find items about him.

How do I locate what I've found on the catalogue in the Library?

- Let's say you are looking for *Fifty Choreographers* by Martha Bremser.
- You have entered the author or title and a single line displays the search result. Click on the title for more information.
- Holdings says which collection it is in Library - Dance Books (nearer) or Library - General Books (further up the library), the shelf location and number available.
- The prefix, LAB, indicates that it is in the Dance Books; GEN = General Books
- The suffix, BRE, will help find it on a particular shelf, if there are lots of items shelved at that number.

Apart from **LAB** for Dance Books, what other prefixes and collections are there? The main ones are:

CD	CDs shelved, by the computers
CUT	Cuttings – from newspapers and similar publications
GEN	General Books
JOU	Journals
LAB	Dance Books. Spine labels start with L then a number.
TH	Theses, shelved at the top of the Library
TUT	Tutor shelves, by the computers
VID	Videos and DVDs, shelved by the computers

Where can I get help?

Staff at the **Service Desk** can help you find books, journal articles, DVDs, CDs and web resources, etc. They can also assist with equipment or computer problems. If they cannot answer these, the questions will be forwarded to other support staff.
