

TRINITY LABAN

*your*  
journey  
starts  
now

*your new student checklist*

---

# Welcome!

You're now a part of the Trinity Laban community.

We're looking forward to meeting you in person in September. For now, here's a *new student checklist* to help you plan everything you'll need to do before you start your course.

## Join Trinity Laban Students' Union

It's a great way to meet your peers online before you arrive, and to get involved in social activities, clubs and support networks when you land. Visit the [TLSU website](#) and make sure to join the [TLSU Facebook Group](#).

## Start thinking about *Life in London*

We've put together resources to get you started [here](#) and follow our [Instagram](#) and [TikTok](#) channels for advice from current students on living your best London life.

## Complete our Support Survey

As soon as you can [here](#), so that we can support your access needs in the run-up and when you arrive. Make sure you've done this by August.

## Sort out your *Finances*

If you're a resident in the UK, you'll be able to apply for **[full-time undergraduate student finance](#)** for 2025/26 from mid-March 2025. For international students, we've gathered information [here](#) on sources of funding and scholarships, including guidance for US students on how to apply for Federal Loans.

For UK Residents, here are the Student Loans Company Codes for our Undergraduate courses for your application:

SLC course code	Course name	UCAS code
11124	BMus (Hons) Music Performance Classical/Jazz/Composition	300F/310F
580345	BA (Hons) Contemporary Dance	200F
533669	BA (Hons) Musical Theatre	230F
724934	Creative Music Making	501M
535191	BA (Hons) Contemporary Dance with integrated foundation year	203F
911868	BA (Hons) Music Performance and Industry	315F
983829	Foundations of Musical Theatre	501F
997880	BMus (Hons) with Integrated Foundation Year	305F

## Get your Visa

If you're an international student, you'll need to apply for your student visa. We're here to guide you through the process of obtaining a Confirmation of Acceptance for Studies (CAS), which will then allow you to apply for a visa to study in the UK. These are normally issued in June, so mark your calendar and we will be in touch. More info [here](#)

## Pay a Deposit – if relevant for you

If you are an international student, self-funding or on a course that is not eligible for student loans, you'll need to pay a deposit for your fees by 9 June 2025. We'll help you with all the information you need to do this. More info [here](#)

## Apply for Accommodation

You'll probably be thinking about where you're going to live – you can take a look at accommodation options [here](#) and there is more information [here](#) about applying to McMillan Student Village. The application opens to new incoming students from Friday 2nd May – the link to the online application form will be sent to you via email to apply, so make sure you keep an eye out for that. Application closes on 23rd May 2025. There's lots of answers to Frequently Asked Questions about accommodation [here](#) and you can contact us if you've got any more specific questions.

## Pack your Kit Bag – (coming soon!)

If you're studying contemporary dance or musical theatre, look out for an email with the kit list that you'll need for your course. For everyone, check out our [TikTok](#) channel for top tips from current students of what to pack.

## Enrol

In July/August you'll receive your Trinity Laban IT account login, an invoice for your fees, and a link to Online Enrolment.

## Arrive

Welcome Week is just that – a week to welcome you to London, to Trinity Laban and to student life. The week includes registration, Freshers' Fair, lots of [TLSU social activities](#), opportunities to meet staff and fellow students, and even an IKEA trip to get those last bits for your room.

## Look after Yourself

Make sure you know [how to access any support](#) you might need in the first weeks and beyond, and we're here to help you and make sure your induction is smooth. [Here's](#) where to find out how to register with a GP, how to stay well and take care of yourself and each other.
