- Payments are taken via our secure online payment system.
- We will send you the information you need to make payment ahead of the start of each term to the email address you provided.
- Fees are non-refundable.

## Class Allocations

We have recently changed our Creative Classes groupings, so that our classes align with the academic school age groups. This comes into effect for all classes from September 2025.

### 3 – 4 Year Olds (Nursery)

- Children aged 3-4yrs (nursery) are allocated to our Carers & Preschoolers classes.
- Please note that we do not move any children between age groups during the academic year.
- We take into consideration:
  - Sibling class times
  - Length of time with current teacher

### 4 – 18 Year Olds (Reception+)

- Children are allocated to classes according to their school year groups: Reception, Year 1, Year 2&3, Year 4&5, Year 6&7, Year 8&9, Year 10-13.
- Children typically spend two years in each class.
- Please note that we do not move any children between age groups during the academic year.
- We take into consideration:
  - Sibling class times
  - Length of time with current teacher

We seek to give children dancing with us for multiple years an experience of working with different teachers. Where possible this will typically take place every two years. Some children will have the same teacher for more than two years, some less.

## Event Information

### Open Studios

- Families are invited to watch the last 10mins of class at the end of the Autumn Term.

### Creative Spring & Summer Shows

- Each class, with the exception of Carers & Preschoolers, Reception and Year 1, will perform in either the Spring Show or Summer Show.
- The list of classes allocated to each show will be shared with you at the end of the Autumn Term.
- There are no Carers and Preschoolers or Dance Ability classes on show days.
- Tickets are purchased through the Box Office.

### Reception and Year 1 Sharing

- Reception and Year 1 classes will perform to family and friends in the Summer Term.

## Watching a Class

We encourage parents and carers not to watch classes through the glass doors to the studios, as this can be distracting, especially for younger children. There are times when parents/carers will be invited into the studios, usually at the end of a term.

Occasionally observations may take place for professional reasons; these requests are considered carefully.

## Photography and Film

- Parents/carers are not permitted to film or photograph classes in line with our safeguarding policy.
- At times Trinity Laban may take photographs and film with media consent.

## Your Contact Information

- Please keep us updated with your current contact details. We stay in touch via email and may need to call you from time to time.

## Access and Support Needs

- Sessions are suitable for young people with moderate access and support needs such as autism, a learning disability and neurodiversity.
- Please disclose information about access and support needs when you pay for classes.
- We may then contact you for further information and implement reasonable adjustments as required. This might include Assistant Support, use of communication tools, reducing the potential for sensory overload etc.
- Our [Dance Ability](#) class is a dedicated space for disabled young people to dance together.
- Our building is wheelchair accessible.

## Attendance

- We encourage participants to attend classes as regularly as possible in order to gain the most benefit from the classes.
- We know that there are times when absence is unavoidable. If you know about a one-off absence in advance please let your child's teacher know directly as this will assist with their planning. Where an absence is last minute please let us know by emailing [childrensprogramme@trinitylaban.ac.uk](mailto:childrensprogramme@trinitylaban.ac.uk).
- In the run up to a performance it is especially important that attendance is consistent.
- If your child is unable to perform in their show (Spring or Summer) please let your child's teacher know as soon as possible.
- Please note: If a child does not attend for three consecutive weeks without advising the teacher or the administrative team of reason for absence, they will be removed from the programme and another child will be offered their place. It is the responsibility of the parent/carer to inform the administrative team via email of significant absence.
- If your child decides to leave the programme, we can offer up to 1 year's deferment on 1 occasion. Any further deferment of places, may incur a charge to keep the space open. This is due to our extensive waiting list. You must communicate with the administrative team, to put this agreement in place.
- Children may leave and re-join the programme only once, unless in case of exceptional circumstances such as significant illness or injury. In this event, this must be clearly communicated to the administrative team and supporting evidence may be required.

## Drop Off, Collection, Supervision

- Once participants have been dismissed from the studio please ensure appropriate collection arrangements are in place. Directly before and after the class, parents/carers are responsible for their child. We are unable to supervise children in the building when they are not actively participating in a class within a studio.
- Parents/guardians are active participants in Carers & Preschoolers and Dance Ability classes, and should be present in the studio throughout.
- Parents/carers of children in the Reception and Year 1 classes need to be available outside the studio for the duration of the class in order to accompany their child to the toilet.

- Children 11 years (School Year 6) and under must be taken to, and collected from, the studio door by parent/carer.
- Children 11 years old (School Year 7) and over are dismissed from the studio after their class. We encourage families to meet their child within the building. Participants can enter and exit the building without a parent/carer, at the discretion of the parent/carer, who remain responsible for their child outside of the studio.
- If parent/carer does not give permission to leave the building independently they must disclose this at enrolment/booking. Teachers will dismiss the child in line with the information given. If you have any specific requirements regarding collection, please email [childrensprogramme@trinitylaban.ac.uk](mailto:childrensprogramme@trinitylaban.ac.uk).
- If you are running late to collect your child please notify us and we can supervise your child until your arrive.

## Bikes, Scooters, Buggies

For the safety of all building users on Saturdays:

- Please ensure young children are supervised at all times.
- Children's bikes and scooters must be left in the designated area as directed by the security team.
- Adult bikes and scooters must be left outside in the secure bike racks to the rear of the building. Adult bikes and scooters must not be left anywhere else on the grounds and must be locked when not in use.
- Bikes and scooters not left in the designated areas and unlocked, will be moved by the Facilities team to a secure location.
- Bikes and scooters should be pushed up the pathway within the Laban Building grounds. Please do not cycle on the pathway or on the grass.
- Roller-skates, scooters, bikes or Heelys (or any shoes with wheels) must not be used inside the Laban Building.
- Pushchairs and prams can be taken into the building.

## Clothing

- Children dance bare foot in the studios and should wear soft comfortable clothing which is easy to move in, such as tracksuit bottoms/leggings and a t-shirt. Jeans and dresses are not appropriate.
- Please ensure your child does not wear any jewellery when taking part in class.

## First Aid

- Trinity Laban has First Aiders onsite.
- If your child has any specific medical needs we need to be aware of please notify us when you pay for classes and keep us updated of any changes.
- Should there be any needs identified we may require parents/carers to remain onsite or outside studios, and/or provide additional information.

## Fire Safety Information

Please take the time to read the following information carefully; it could save the life of your child.

Your child's dance teacher will explain the fire safety procedure to the class, and we will schedule unannounced fire drills from time to time. The fire alarm is a continuous siren.

Please familiarise yourself with the escape routes from the building, and make sure your children know these routes and know what to do in an emergency.

The two assembly points in the event of an evacuation are:

- By the gate at the main entrance, and
- By the gate at the exit of the car park.

In the event of a fire please follow these instructions:

1. If a fire is discovered sound the alarm by breaking the glass on the emergency call point.
2. On hearing the fire alarm evacuate the building immediately using the safest escape route.
3. DO NOT go to the studios to collect your child. The teacher will bring the whole class out of the building and take them to one of the assembly points.
4. After exiting the building parents should go to the assembly points to find their child where they will be kept with their teacher until they either return to their studio to continue the class or are collected if the class has finished/cannot continue.

A member of Trinity Laban staff will be happy to explain the above procedures to you.
