

Graduate School Showcase 2025

Monday 7 – Thursday 24 July

Welcome to the Graduate School Showcase 2025, a festival of performances created, choreographed and presented by our postgraduate dance students.

Doors open at 12:00pm each day, and 10:00am on Friday 18 July, with a curated programme of performances, site-specific events, screenings and sharings.

*Every day will be different. What's certain is that you'll encounter surprising, challenging and ground-breaking new work from students our **MA / MFA courses in Choreography, Creative Practice (Dance Professional and Transdisciplinary pathways), Dance Leadership and Community Practice, Dance Performance and Dance Science.***

You might get to see work on the main stage of Laban Theatre, or in the more intimate space of the Studio Theatre. Dance in unexpected places that takes you on a journey, or research laboratory sharings in our Dance Science studio. Maybe you'll get to participate in a performance that brings the audience into the experience, or enjoy watching more contemplative pieces unfold outside or at studio spaces in nearby Laurie Grove.

What is guaranteed is that you'll encounter thought-provoking new choreography and movement developed by our postgraduate dance community during their time studying at Trinity Laban.

Come and join us. Bring your curiosity and an open mind.

Members of the audience are reminded that smoking, the use of mobile phones and the use of photographic or video equipment is not permitted in the auditorium.

TRINITY LABAN

I thought I was leading

Caitlin Findley, MA Dance Performance

Tuesday 15 July, 17:00-17:10

Studio Theatre, Laban Creekside

Performer *Caitlin Findley*

Sound *Original ambient composition created using synthetic tones and layered textures*

Music *Deya Dova*

Lighting *Trinity Laban Production Team*

The journey of a body in pursuit of an unseen path that drifts through space. Delicate yet insistent. What begins as exploration becomes entanglement, as the line shifts from guide to inhabitant, as movement sharpens, echo then dissolves.

Special thanks:

Special thanks to Elizabeth Kew-Ross for drawing inspiration for this piece of work, and programme leader Hilary Stainsby.
