

Graduate School Showcase 2025

Monday 7 – Thursday 24 July

Welcome to the Graduate School Showcase 2025, a festival of performances created, choreographed and presented by our postgraduate dance students.

Doors open at 12:00pm each day, and 10:00am on Friday 18 July, with a curated programme of performances, site-specific events, screenings and sharings.

*Every day will be different. What's certain is that you'll encounter surprising, challenging and ground-breaking new work from students our **MA / MFA courses in Choreography, Creative Practice (Dance Professional and Transdisciplinary pathways), Dance Leadership and Community Practice, Dance Performance and Dance Science.***

You might get to see work on the main stage of Laban Theatre, or in the more intimate space of the Studio Theatre. Dance in unexpected places that takes you on a journey, or research laboratory sharings in our Dance Science studio. Maybe you'll get to participate in a performance that brings the audience into the experience, or enjoy watching more contemplative pieces unfold outside or at studio spaces in nearby Laurie Grove.

What is guaranteed is that you'll encounter thought-provoking new choreography and movement developed by our postgraduate dance community during their time studying at Trinity Laban.

Come and join us. Bring your curiosity and an open mind.

Members of the audience are reminded that smoking, the use of mobile phones and the use of photographic or video equipment is not permitted in the auditorium.

This dance performance explores the dynamic relationships between human bodies and other forms of presence. Through moving the, moving with, moving from, and moving like these entities, dancers develop a unique shared language that highlights mutual interaction and allows these forms to have protagonist moments. Set in an apocalyptic environment, the piece reflects on giving and receiving within these connections, emphasizing equality and coexistence. Together, all bodies organic and synthetic, moving and still, reveal the complex dialogues shaping our shared world.

Where boundaries dissolve, and bodies breathe together in the space between motion and stillness.

Special thanks:

Special thanks to supervisor **Dr Irene Fiordilino**, and programme leader **Hilary Stainsby**.
