

Graduate School Showcase 2025

Monday 7 – Thursday 24 July

Welcome to the Graduate School Showcase 2025, a festival of performances created, choreographed and presented by our postgraduate dance students.

Doors open at 12:00pm each day, and 10:00am on Friday 18 July, with a curated programme of performances, site-specific events, screenings and sharings.

*Every day will be different. What's certain is that you'll encounter surprising, challenging and ground-breaking new work from students our **MA / MFA courses in Choreography, Creative Practice (Dance Professional and Transdisciplinary pathways), Dance Leadership and Community Practice, Dance Performance and Dance Science.***

You might get to see work on the main stage of Laban Theatre, or in the more intimate space of the Studio Theatre. Dance in unexpected places that takes you on a journey, or research laboratory sharings in our Dance Science studio. Maybe you'll get to participate in a performance that brings the audience into the experience, or enjoy watching more contemplative pieces unfold outside or at studio spaces in nearby Laurie Grove.

What is guaranteed is that you'll encounter thought-provoking new choreography and movement developed by our postgraduate dance community during their time studying at Trinity Laban.

Come and join us. Bring your curiosity and an open mind.

Members of the audience are reminded that smoking, the use of mobile phones and the use of photographic or video equipment is not permitted in the auditorium.

Say Hi to Light

Keer Xiang, MA Choreography

Monday 14 July, 17:00-17:20

Labban Theatre, Laban Creekside

Viewer discretion: Strong light effect

Performers Keer Xiang, Songwen Liu, Xinyang Li, Yiling Zhang

Music 'East Hastings' by Godspeed; 'You!' by Black Emperor

Lighting Trinity Laban Production Team

'Say Hi to Light' is an experimental choreographic work that explores the relationship between light, shadow, and the moving body. This work investigates how light can become an active choreographic partner rather than just an illuminating tool.

Special thanks:

*Special thanks to my supervisor **Zoi Dimitriou**, and programme leader **Gary Lambert**.*
